
1 What was Elisha's job?

2 Why was the widow with two sons so sad?

3 What did Elisha tell the woman to do?

4 The widow only had a little oil.
What did Elisha tell her to do with it?

5 What did the widow do with all the oil?

6 What might have happened if the woman
had refused to obey?

7 How is this story comparable to our own lives?
Is it hard to obey God, our parents, and our leaders,
especially when we do not understand?
